JUDGING: Each contestant will be issued an official judging cup the day of the event, along with a set of tickets. These two tickets, bearing the same number, will be utilized – one firmly attached to the cup in a manner which hides the number and the other ticket that is easily removable by the Head Cook for retention after signing the Head Cook's name on it. Winning numbers will not be revealed until it's time to announce each place within each category. At this time, the secret numbers will be removed and announced. Each contestant is responsible to deliver their cup to the judging area at the official time for judging. At the discretion of the head judge, cooks may be required to remove the lids from their entries and taste their entry before turning it in for judging (if a contestant refuses, their beans will be disqualified). If a cup is damaged, a replacement cup can be obtained only after the head cook turns in the damaged cup and BOTH tickets.

JUDGES: Judges must be 18 years or older. Judges will vote for the chili they like best based on the following: Good Flavor, Texture of Meat, Consistency, Blends of Spices, Aroma, and Color. **THE DECISION OF THE JUDGES IS FINAL.** After the cup has been turned in, any cup found in violation of the rules will be disqualified at the discretion of the Head Judge.
